Open Studio Cambodia is an artist collective working out of Siem Reap, Cambodia, the gateway to the ancient temples of Angkor Wat. Founded in 2018, Open Studio Cambodia mentors, represents, and provides supplies and communal studio space to its members, most of whom are emerging contemporary Cambodian artists. We believe in the power of art not only to enhance the lives of the artists we work with, but as an important platform to share the stories that define all of us. In this challenging year we have remained steadfast in our commitment to our artistic practice and supportive communal studio environment, and adaptive to the changes all around us. We are pleased to present our showcase of new works in oil, acrylic, block print, hand-cut paper, digital photography/mixed media, textile, watercolor, and wood sculpture. Prices are inclusive of black wood frame (where applicable) for sales within Cambodia *only* and are also inclusive of all domestic shipping in both Cambodia and the United States IF RESERVED BY DECEMBER 7, 2020 except for wood sculpture, pieces larger than 17.5 x 23.5 inches (45 x 60 cm), and those priced under \$100. openstudiocambodia@gmail.com
